5 Specific Learning Needs

We need to hold accurate and up-to-date information on College users. It is held securely and only shared with those who absolutely need to know. When we no longer have a need for the information, it is confidentially destroyed. We use it for checking eligibility and fitness for course places at Penwith College and for managing our responsibilities and the legal obligations on the College.

I accept the College need to hold and use information in accordance with the Data Protection Act and agree to abide by the College Code of Conduct.
